PARTICIPATING BROKER PROGRAM POLICY

We are pleased to provide you with information regarding our Participating Broker Program. This policy has been established as part of our commitment to the brokerage community and to assure the protection of your prospects.

ALL CONTRACTS TO BE WRITTEN BY THE McFARLAND HOMES REPRESENTATIVE ON McFARLAND HOMES FORMS.

- Initial Prospect Registrations.** As a Broker/Agent you must personally escort your customer to a McFarland Homes community on their first visit and complete the Guest Registration Card and Broker Registration Form. Please note that signatures from Broker/Agent as well as the authorized McFarland Homes representative are required to validate registration. If for some reason, i.e., scheduling conflicts, Broker/Agent is unable to attend customer's first visit, Broker/Agent may "pre-register" customer by visiting a McFarland Homes community in person and in advance of customer's first visit.
- First Visits.** The "first visit" is defined as the customer has not visited any McFarland Homes community within the past 180 days and has not maintained any communication with a McFarland Homes representative within that time period. McFarland Homes' prior contact with the customer within 180 days voids the possibility of earning a commission.
- Registration Periods and Re-Registrations.** Broker Registrations are valid for 180 days from the date on the Broker Registration Form. This time period may be extended one time only for 180 days by re-registering your customer, which requires completing a new Broker Registration Form.
- Return Visits/Follow Up.** You are always welcome to accompany your customer on return visits for a preview of our homes. Our staff will be contacting you for feedback regarding your customer's visit to our community. If we are unable to reach you within 48 hours, we will contact your customer directly and give our best efforts to sell them a home, for which you will earn a commission consistent with the terms of this agreement.
- Commissions.** A commission will be paid to the registered and procuring broker with a current registration upon closing and funding. In the event a closing does not occur, for any reason whatsoever, no commission will be paid. Commissions are based on 2.5% of the base purchase price including lot. Commissions are not paid on options and upgrades, i.e., basements, sunroom, screen porch, lot premium, or any discount/concessions that the builder offers. If more than one broker registers the same prospect, the commission will be paid to the Broker/Agent whose customer representation results in a showing and eventual sale of the McFarland Home, wherein the Broker/Agent is present at the time of contract. Any disputes between Seller/Buyer/Broker will be settled through arbitration.
- Contracts and Closing.** Our staff is pleased to handle all aspects of the contract administration for each customer. Please note that all sales must be written on an approved McFarland Homes contract and the Broker/Agent must be present at the time of contract. This effort is required so that we may properly represent our homes as well as the community association. Please note, according to Indiana License Law, you or a licensed representative of your company must attend the closing.
- Program Changes.** Since the Participating Broker Program is subject to change from time to time without written notice, you are encouraged to obtain a copy of the latest Participating Broker Program Policy available in a McFarland Homes community.
